# Appendix A Executive Sponsorship and Strategic Alignment

All applicants are required to find an Executive Sponsor<sup>1</sup> that oversees the area of proposed project focus. This is to help identify any strategic alignment the PQI project may have with existing Island Health priorities, and to ensure the PQI student has support to engage with Island Health staff as part of their project team.

As part of the application process, please work with your Executive Sponsor to complete this form.

Alignment & Strategic Importance				
Does the proposed PQI project align with existing Island Health, Department and/or Program goals and priorities? If so, please describe how (if possible, reference any relevant strategic or operational plans such as the Island Health 2019/20-21/22 Multi-Year Plan).	Yes	No		
Operational Support for your Project				
Does the proposed PQI project have the support in principle from the local Manager and/or Department head / Division of Family Practice? If yes, please share their name and contact information.	Name Email Phone Position/Role Name Email Phone Position/Role
