

Set up a LearningHub Account

Create an Account

Welcome to the LearningHub! Your first step is to create a New Account if you have not done so already.

If you have an existing account, which could include an account you created as a student or as an employee from another Health Authority, please contact your Health Authority LearningHub Help Desk rather than creating a new account so that we can keep your Learning History in one account.

Depending on your role within the Health Care field or with a Health Authority, there are multiple account types to select from.

Employee Account

If you have a PHSA Employee ID, create an employee account or update your account with your PHSA Employee ID so your mandatory course will be included in Employee reporting.

Note: If you don't link your LearningHub account with your Employee ID, you may show up on the reports as incomplete.

Student Account

Currently enrolled as a student in a health care related discipline.

Volunteer Account

Providing volunteer services in a health care setting.

Medical Staff

Physicians, dentists, midwives, nurse practitioners, maxillofacial surgeons. If you are a Medical Staff employee with an Health Authority, please register with a Employee Account instead.

Affiliate/Contractor Account

- Employees who do not have their employee ID established yet may create this account first and upgrade to an Employee account later.

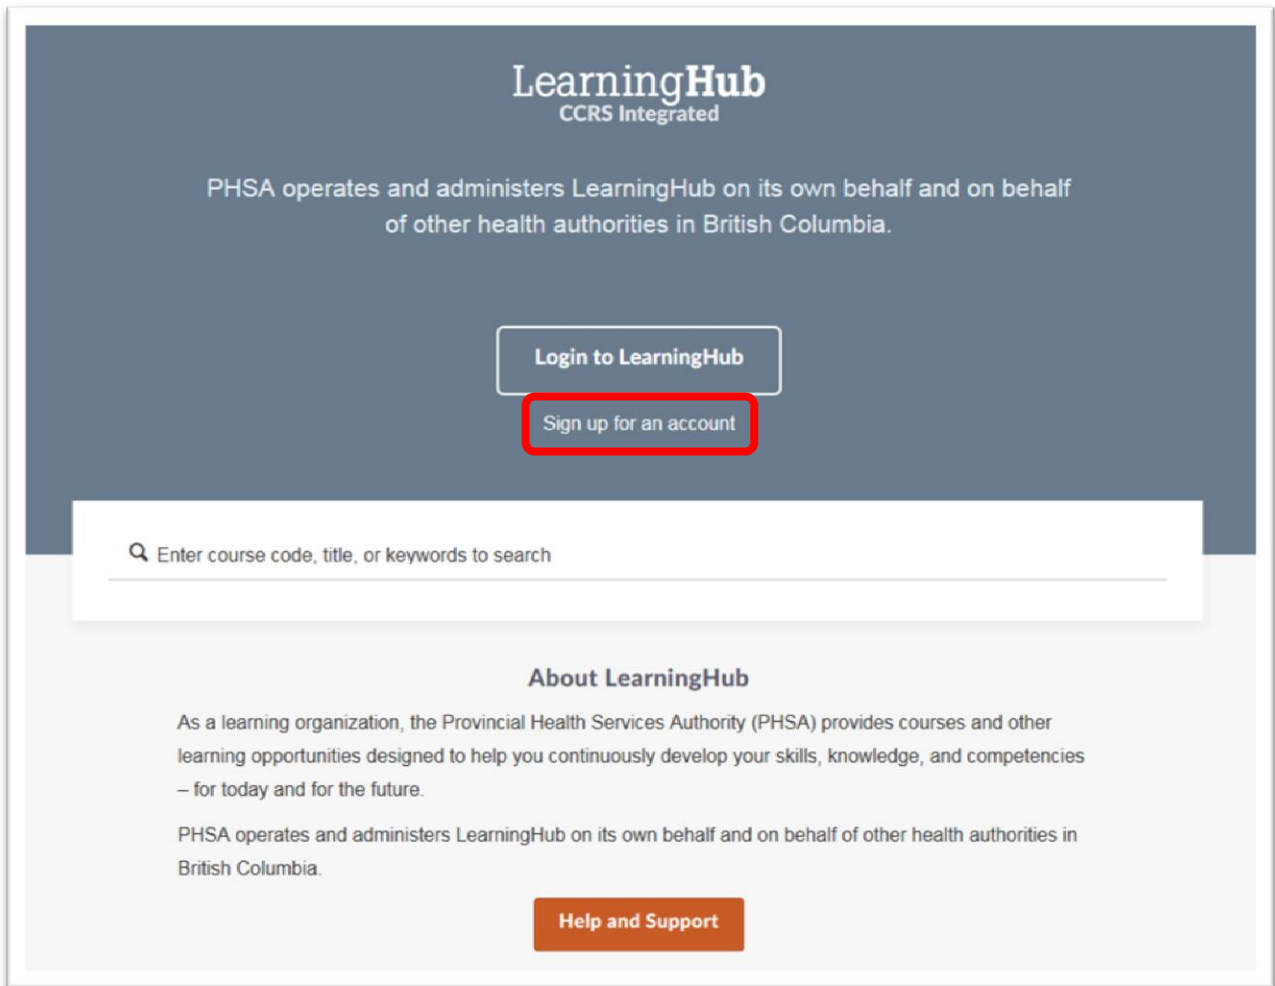

- PHSA Volunteers, students, researchers, clinicians.

- Health care workers from other BC Health Authorities

General Public Account

Members of the public and patients.

1. Go to <https://learninghub.phsa.ca>

2. Click **Sign Up for an Account**.

3. Enter your Name, Email Address, and choose a Password.

4. Log into the email that you entered. If you did not receive the email, check your junk mail folder or click the "**Resend Activation Email**" button.

LearningHub

An email confirmation has been sent to your email address learnhub2016@gmail.com. Please follow the link in the email to complete the sign up.

RESEND ACTIVATION EMAIL

5. In the confirmation email, click the "**Click here to activate your account**" button. Read the Notice and Consent and click "**I Agree**" button.

LearningHub

By registering a new account, you will have access to the LearningHub and Leadership LINX systems. You will need to consent to the following in order to create your account.

LearningHub 

LEARNING HUB NOTICE AND CONSENT

Collection and Use of Personal Information

PHSA is authorized to collect personal information under sections 26(c) and 26(e) of the Freedom of Information and Protection of Privacy Act for the purposes of providing learning opportunities, administering LearningHub and its educational programs, course registration, communicating with users, planning, evaluating and improving LearningHub, safety and reporting to government agencies for statistical purposes.

PHSA may disclose personal information to other BC health authorities* for the purposes of planning and evaluating LearningHub. PHSA may use and disclose de-personalized user information (such as survey responses) for research purposes, including research publications.

For questions regarding the collection or use of personal information by PHSA, refer to the Privacy Policy.

Please scroll to bottom to accept consent

I AGREE

6. Select your role that best describes your position and which organization you are affiliated with.

LearningHub

7. If you are an Island Health employee, please verify your employee number. If you do not know your employee number, you can click "**remind me later**" button to enter it in when you receive it.

Complete your profile

Verify your employment status with your health organization employee number

Do you have an employee number with your health organization? All employees are required to have their employee number in their LearningHub account in order to have learning histories reported to the manager.

If you have your employee number, please take a minute to update your account. Employee number can be found on your **payroll stub**
