

#### **Island Health End of Day & CEO Messages:**

- [Pandemic Planning COVID-19 Update | March 10](#)  
Island Health Pandemic Planning leadership summarizes Dr. Henry's March 10th updates for masks, vaccine passports and regulated health professionals order.
- [We stand with Ukraine](#)  
Earlier this month, CEO Kathy MacNeil shared her support for people who are impacted by the war. Since the invasion began, Island Health has been able to respond to a call for specific equipment, by providing the following: 20 beds, 4 cribs, 2 equipment chairs and 2 Broda chairs.

#### **Spotlight:**

- [Urgent Shortage: 0.9% Sodium Chloride \(NS\) Injection 10 mL vials](#)  
There is a national shortage of 0.9% Sodium Chloride (NS) Injection 10 mL vials and mitigation strategies are being deployed.
- [Privileging dictionary evaluation survey | BC MQI](#)  
All medical staff members are invited to participate in a BC Medical Quality Initiative (BC MQI) survey to evaluate the use of privileging dictionaries.

- [Virtual Care expands at Island Health](#)

Virtual tools are becoming more deeply integrated into our health system, and Island Health clients are seeing some of the biggest benefits as the range of virtual services expand. Community Virtual Care offers virtual visits and the phone to support clients at home.

- [Celebrating Canadian Women Physicians Day](#)

March 11th is the second ever Canadian Women Physicians Day, a time to recognize and honour the many amazing contributions of women who practice medicine in this country.

- [Set up your Self-Service Password Recovery service](#)

Save time by using the new Self-Service Password Reset (SSPR) tool. SSPR allows you to reset forgotten Window/Network passwords on your own and unlock your account without the need to call the Service Desk and wait for assistance. After March 29<sup>th</sup>, all staff are expected to be set up to use SSPR and should not call the service desk unless they are unable to utilize the SSPR tool to reset their password.

#### **COVID-19 Updates:**

- [B.C. takes next step in balanced plan to lift COVID-19 restrictions](#)

As of Friday, March 11, 2022, [B.C.'s indoor mask order](#) is being repealed along with eased restrictions on long-term care visitors, faith gatherings and overnight camps for children and youth. The [March 10th Order of The Provincial Health Officer announcement](#) also sets a pathway to lift additional COVID-19 restrictions, including the BC Vaccine Card requiring proof of vaccination, on April 8.

- [Updated: PPE guidance during the COVID-19 Pandemic](#)

- [Rapid tests available for people 40+ at pharmacies](#)

As of Tuesday, March 15, 2022, rapid antigen test kits will be available through community pharmacies to people aged 40 and older.

- [Joint statement on National Day of Observance](#)

"Two years ago, on March 11, 2020, the World Health Organization officially declared COVID-19 a global pandemic." Premier John Horgan, Adrian Dix, Minister of Health, and Dr. Bonnie Henry, provincial health officer, have issued the following joint statement to acknowledge the National Day of Observance for COVID-19.

	Today's New Cases	New Cases since March 9 (last bulletin)	Currently hospitalized (ICU)	Cumulative Cases	Total Deaths
<b>BC</b>	235	1,724	329(51)	353,139	2953
<b>Island Health</b>	30	266	35(1)	32,537	228
