

**RN/RPN/LPN/Social Work/Pharm**

**ADDICTION MEDICINE EDUCATION**

*Comprehensive, evidence-based care for people who use substances*

## Addiction Care and Treatment Online Certificate (ACTOC)

**Commitment:** 12-16 hours (*self-paced online*)

**Compensation:** \$750 (*when completed on personal time*)

The Addiction Care and Treatment Online Certificate is a free online certificate course targeted at health care professionals interested in learning more about providing care to patients with various substance use disorders, including alcohol, tobacco, stimulants, cannabis, and opioids. *Note: Compensation may be available for other Allied Health workers*

## Provincial Opioid Addiction Treatment Support Program (POATS-P)

**Commitment:** 8-10 hours (*self-paced online*)

**Compensation:** \$400 (*when completed on personal time*)

This comprehensive education and training program provides the tools for prescribing oral opioid agonist treatment (buprenorphine/naloxone, methadone, and slow-release oral morphine) and injectable opioid agonist treatment (hydromorphone and diacetylmorphine).

*Note: Compensation may be available for other Allied Health workers*
