ESSENTIAL VISITS

- » Visits for compassionate care (such as critical illness, hospice care, end of life and medical assistance in dying).
- » Visits essential to patient/client care and mental well-being, including:
 - Assistance with feeding, mobility and personal care.
 - Communication assistance and supported decision-making for people with disabilities or cognitive impairment.
- » Existing registered volunteers providing services as described.

* Essential visits are limited to one visitor at a time. For palliative and end-of-life care, more than one visitor may be allowed at a time.

SOCIAL VISITS

- » Visits made by a family member or friend of a resident
- » Only one designated family member or friend may visit.
- » Each visitor must:
 - Schedule their visit in advance with facility staff.
 - Socialize in the designated visiting areas.

* Social visits are only allowed if there is no COVID-19 outbreak at the facility.

All visitors must wear a medical mask, clean hands before and after visiting (using soap and water or alcohol-based hand sanitizer) and maintain a distance of two metres from others, if possible.
