

COVID-19 Pandemic Immunizer Education Checklist

Podiatrists

Checklist

Applies to:	All Podiatrists who are supporting the COVID-19 immunization clinics.
Purpose:	To ensure all Pandemic Immunizers are able to safely administer COVID-19 vaccines and are comfortable discussing concerns/misconceptions/questions that clients may have.

How to Use this Checklist

1. Print a copy of this document and check the boxes as you complete/review each item.
2. Bring your checklist to your first clinic shift.

Note: Podiatrists “must be supervised by a registrant who is authorized under a health profession regulation, and competent, to perform the Immunization Activity”. Please ensure you let the clinic lead know if you require supervision.
