We've carefully selected topics based on our recent CPD island-based needs assessment and we have tried to fit in most of your most desired learning needs! At the end of our first day, we hope you'll stay for our reception to mingle and catch up! Topics we are covering include:

- Treating Patients with Multiple Barriers (Addictions Homeless, etc.)
- Atrial Fibrillation Update
- Caring for Older Patients Update
- Dermatology Update
- Navigating Mental Health Care on Vancouver Island
- Caring for Indigenous Patients
- Delirium Assessment and Tools
- Women's Health
- Violence Preventions/De-escalation techniques in a Clinical Environment
- Pediatric Airways (Hands on)
- Palliative Care Update
- Climate change and the Impacts on our Patients Health

June 11 (Sat) | SKILLS & SIMULATION DAY

The Centre for Interprofessional Clinical Simulation Learning & Victoria Convention Centre

Extend your stay and sign up to participate in small group simulation workshops which include:

- Slit lamp/office eye exam
- Complex Wound Care
- Difficult Airways / Foreign Body
- Biopsy Techniques
- Multidisciplinary arrest situation
- De-Escalating a violent/agitated patient

Safety protocols:

The UBC CPD team will be working very closely with the Victoria Convention Centre that all current provincial health safety guidelines will be in place and carefully monitored. Note that at this time all delegates will need to provide proof of vaccination — please review [this website](#) for more information, especially if you are from outside of BC.
