12:00 - 1:00

**Where:** Virtual via MS Teams  
[CLICK HERE](#)

Island Health hosts Primary Care Grand Rounds to encourage new ways of thinking, introduce new or updated ideas, generate discussion, and in some cases debate around important health issues. The Grand Rounds are hosted by Dr. William Cunningham, Department Head Primary Care, and Dr. Leah MacDonald of Island Health.

**Taylor Setterfield**  
**BSc, PharmD**  
**Clinical Pharmacist, Port  
Alberni PCN**

Taylor holds a BSc in Biochemistry from UVic and a PharmD from UBC. His experience in both community pharmacies and West Coast General Hospital has fueled his passion for clinical pharmacy and maximizing the pharmacist's role in patient care. Taylor is dedicated to enhancing team-based care and improving outcomes through pharmacist integration in clinics. Outside of work, he enjoys golfing, relaxing at the lake, and occasionally playing piano at wedding venues.
