

PQI Fundamentals

Coming to You!

Learn Quality Improvement (QI) skills that can help improve care in your area of work!

Registration open to Physicians, leadership dyads and any approved Island Health staff member directly involved in physician-led QI work.

Why PQI Fundamentals?

- Developed by physicians, for physicians
- Local examples and insight on how to drive improvements
- Interactive, small group setting supported by expert coaches and faculty members

Day 1 - Introduction to Quality Improvement

Learn how to leverage QI skills and tools to improve care quality, satisfaction and engagement on the Island.

Day 2 - Develop an Improvement Charter

Apply QI tools covered on Day 1 to analyze a problem and create a plan to address an issue or problem in your own work area.

Time Commitment

- Two 4-hour virtual workshops including breakout sessions
- Day 1 must be attended before Day 2

Sessional payments for fully licensed GPs/SPs for up to 8 hours at JCC harmonized rate.
