

Island Health M&M Rounds A Cycle for Change

01

Facilitator & Presenter
prepare for M&M
Rounds.

02

Rounds occur with
group consensus
on "What happens
next?" &
recommended
action
items.

03

Whatever you
can do locally, do
it!
Small changes
made locally can
have big
impacts!

04

Share recommended action
items with designated Quality
Council.

05

Provide bottom
line summaries via
electronic data
repository to M&M
Working Group.

06

Quality Council &
M&M Working
Group provide
feedback to
Facilitator for
sharing at
rounds.
