

# The Great Sepsis Challenge

September is Sepsis Awareness Month and Island Health is marking the occasion with the Great Sepsis Challenge!

Know what it takes to stop sepsis and save lives?  
Test yourself and challenge your peers with a short online quiz! Help us reach our goal of 1,000 participants.

Learn more about clinical tools and shareable resources at the Sepsis Resource Centre

Scan the QR code to  
take the quiz or visit:
