

Island Health World Sepsis Day Photo Challenge!

Participate in the photo challenge and show your support for **World Sepsis Day on September 13** with photo boards inspired by the Global Sepsis Alliance or create your own to show your units support of sepsis awareness!

The World Sepsis Day Photo Challenge is a great way to show your support for #WorldSepsisDay and the #FightAgainstSepsis in 3 quick easy steps

Step 1:

Print the photo board you like the best, or make your own, to show your support for Sepsis Awareness!

We have a template for [groups](#) or [individuals](#) or you can create your own!

Step 2:

Have somebody take your picture or practice your selfie skills.

Step 3:

Email your picture to TheWeekly@islandhealth.ca and include **Sepsis Day** in the subject line.

The pictures will be shared on the Island Health Flickr page later this month.

Help us recognize Sepsis Awareness Month by joining together to show our support in the fight against sepsis.

Learn more about the Island Health clinical tools and resources available by visiting the [Sepsis Resource Centre](#).
