

Navigating to Island Health Provider Profile

Your Island Health Network login is required to access the site. You must be logged in to your Island Health account. The Provider Profile cannot be accessed from your phone.

[Click here to navigate directly to the Provider Profile](#)

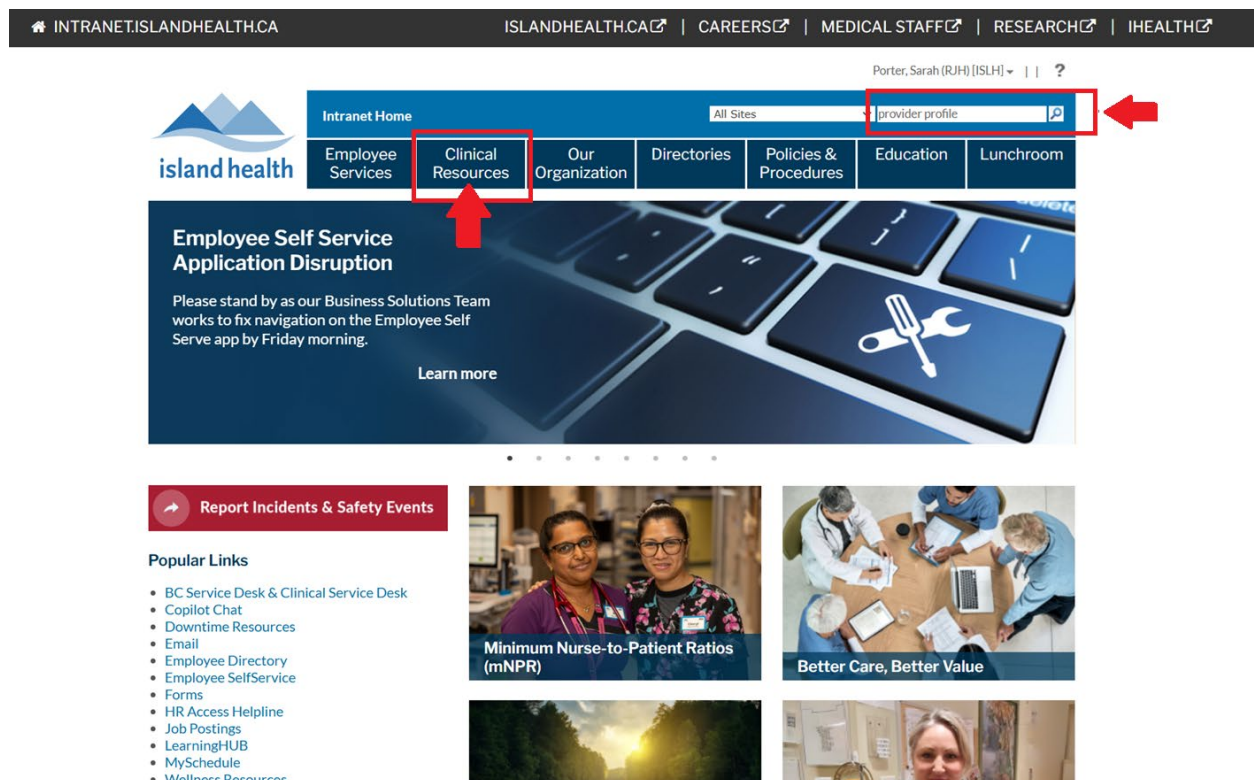

The Provider Profile is available only to providers with inpatient privileges who serve as the Most Responsible Provider (MRP) for hospitalized patients. If you believe you should have access but the link isn't working, please contact Jacqueline.Gregory@islandhealth.ca.

Access via Island Health Intranet

The Provider Profile is available on the **'Clinical Resources'** page of the Island Health Intranet. [Click here to navigate to the Clinical Resources page](#) or follow the steps listed below.

Island Health login is required. Provider Profile does not work on mobile devices

1. Login using your **Island Health username** and **password** to access the Island Health Intranet <https://intranet.islandhealth.ca/> using Citrix or on an Island Health computer.
2. Navigate to **'Clinical Resources'** at the top of the Intranet home page or search **'Provider Profile'** in the search bar

3. In the 'Quick Links' section, scroll down to 'P'

Access via the Island Health Report PORTAL

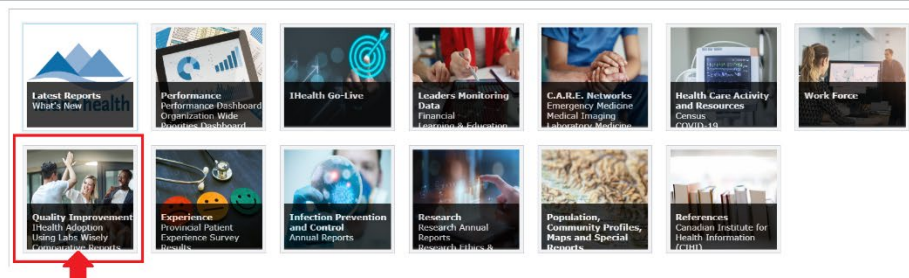

The Provider Profile is available on the ‘Quality Improvement’ tab of the Island Health Report PORTAL. [Click here to navigate directly to the Provider Profile](#) or follow the steps listed below.

Island Health login is required. Provider Profile does not work on mobile devices

1. Login using your **Island Health username** and **password** using Citrix or on an Island Health computer.
2. Navigate to the Report PORTAL via <https://reports.viha.ca/>
3. Navigate to ‘Quality Improvement’

Report PORTAL

The material contained and linked in the Report PORTAL is for internal Island Health use, for work associated with understanding, monitoring, and improving the health system only. Other uses are not permitted. Use of this information for research is not permitted.

4. View **Provider Profile** located under the heading ‘Medical Quality’.

Report PORTAL

The material contained and linked in the Report PORTAL is for internal Island Health use, for work associated with understanding, monitoring, and improving the health system only. Other uses are not permitted. Use of this information for research is not permitted.

A screenshot of the Report PORTAL 'Quality Improvement' section. The page has a search bar at the top. Below it, the 'Quality Improvement' heading is followed by a note: 'NOTE: The Provider Profile is currently limited to providers with inpatient privileges who are HRP for hospitalized patients. If you would like to be granted access, please contact jacqueline.gregory@islandhealth.ca'. The page is divided into two main columns of links. The left column includes 'Nursing Clinical Documentation', 'IHealth Adoption', and 'Medical Quality'. The 'Medical Quality' section is expanded, showing a list of links: 'Provider Profile (restricted access)' (highlighted with a red box and a red arrow), 'Sepsis QI Project', 'Choosing Wisely Canada', 'Choosing Wisely Interactive Report', 'Choosing Wisely at Island Health Annual Report 2024', 'Choosing Wisely - Antipsychotics in Acute Care', 'Choosing Wisely - Using Blood Wisely', and 'Choosing Wisely - Using Labs Wisely'. The right column includes 'Medication Safety' and 'Using Labs Wisely Comparative Reports', each with a list of hospital names.
